

19<sup>th</sup> December 2015

To  
The Principal

Hyderabad

Dear Sir/Madam,

**Subject: Elector Awareness Meet at your campus**

**LETS VOTE** is an apolitical, Not-for-the-profit, Voluntary organisation. "LETS VOTE" envisions a responsive and responsible society exercising their right to vote, thereby electing an accountable team to lead and govern. "LET'S VOTE" promotes societal development and positive nation building through sensitizing professionals to cast their vote.

We humbly bring to your notice that LETS VOTE received National Award from Election Commission of India in 2015 as Best Civic Society Organization for its contributions for voter awareness activities during 2014 elections.

Some of our immediate activities include:

- Sensitising the eligible urban citizens to go for e-registration for obtaining EPIC
- Helping in establishing e-registration counters and providing them necessary guidance
- Conducting voter awareness camps, meetings, rallies etc.,

In this context we request you to arrange **Elector Awareness Meet at your campus** to encourage your students, employees and others towards voting in GHMC Elections 2015 to further the democratic values and people's participation in a big way.

The brief program structure would be 1. Lets Vote introduction, 2. Elector Awareness Presentation, 3. QA and windup. The total time required would be an hour.

We thank you in advance anticipating a positive response.

Thank you.

Yours sincerely

**For LETS VOTE**

P V Raghavendra Sarma, Treasurer
